

FIP-40

FIP SERIES

Display Freezers

Refrigeration system features low maintenance bare tube condenser coil.

MODELS

- FIP-40
- FIP-60

FEATURES

CONSTRUCTION

- Standard electronic controller with these features:
 - Ability to monitor defrost functions from the front panel interface
 - Audible alarm
 - Eliminates room thermostat, defrost termination/fan delay control, defrost timer and digital thermometer or other temperature indicator
- 24 gauge steel interior and exterior
- Backlit sign in stainless steel frame
- LED lighting for backlit sign and freezer interior
- Equipped with leveling legs to correct for unlevel flooring situations
- Stainless steel top serving deck
- Extra large, non-fogging front display window
- Four panes of tempered glass on front
- Adjustable heavy-duty, white epoxy-coated, welded wire shelves

- Automatic condensate evaporator
- Independent on/off light switch
- 2" foamed-in-place "zero ODP" urethane insulation

DOORS

- Replaceable magnetic door gasket
- Foamed-in-place reversible rear door
- Self-closing

REFRIGERATION

- Self-contained, hermetic condensing unit
- Automatic defrost
- Refrigerant: R-404A
- No minimum clearance required on cabinet sides but front, back and top must be left open for customer and operator access
- Temperature range: 0° to -17°F (-18° to -27°C)
- R-factor (insulation efficiency rating): 17.24

WARRANTY

- Standard limited two year parts and labor
- Additional three year coverage on compressor part

OPTIONS

- Custom colors
- Extra shelf
- Casters
