

READY-BILT™ Walk-In Coolers & Freezers

Completely pre-assembled at the factory and ready to set in place at the job site.

Features

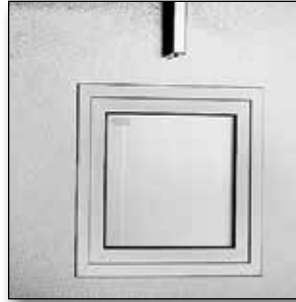

- No field installation needed – only provide electricity for single source hook-up (one per refrigeration system)
- Pre-installed refrigeration system(s)
- Single or double compartment models
- Available in a variety of lengths and widths
- Cam-locking four-inch thick foamed-in-place polyurethane panels
- 26 gauge acrylic-coated stucco galvanized steel interior and exterior
- Heavy-duty door with welded aluminum frame, wide strap hinges and heavy-duty door closer
- Choice of 26" x 78", 30" x 78" or 36" x 78" door sizes
- LED lighting
- Digital thermometer/light switch
- Door drip guard
- Bands of aluminum treadplate for finishing trim around top and bottom of walk-in
- Weather-proof membrane roof to keep rain from collecting against an adjacent building
- Walk-in UL-listed as an entire package, not just for individual components, facilitating electrical inspections
- One year parts and labor warranty (optional extended four year compressor warranty available)
- 15 year panel warranty

Options

- Interior* and exterior ramps
- Interior and exterior finish options include all those found in custom Bilt2Spec™ walk-ins
- Ceiling mounted LED lighting
- Digital alarm and light management system
- Aluminum diamond tread or stainless steel interior and exterior kickplates
- Non-skid strips (shipped loose)
- Extra vapor-proof lights (shipped loose)
- Viewports (freezer ports heated)
- Strip curtains (shipped loose)
- Specially designed shelving kits
 - Flexible shelf adjustment in 1" increments
 - Shelving layouts utilize maximum space for storage leaving the door opening clear of end standards
 - Green Kote™ special epoxy-coated finish provides extra protection from acidic foods
 - Quick and easy assembly
 - Rigid construction
 - Optional U-shaped systems

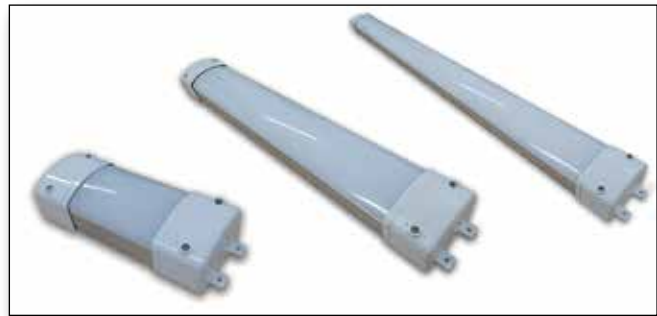

*Consult factory for lead time on this option.

Viewports allow visibility of products stored inside.

Interior ramps* make it easy to roll items directly into your walk-in.

Highly efficient LED lighting options fully illuminate your walk-in.
