

QS2

QS2 MODEL WALK-INS WITH

2-DAY
LEAD TIME*

*Choice of Capsule Pak
or Capsule Pak ECO™
refrigeration systems*

Features**

- Indoor models only
- Cooler and freezer models
- Freezer equipped with pressure relief port
- 7'4"H coolers and 7'7"H coolers and freezers
- With-floor models (coolers and freezers) and less-floor models (coolers)
- 26" wide door (left or righthand)***
- Matching Capsule Pak™ or Capsule Pak ECO™ refrigeration systems in 1/2, 3/4 and 1HP.
1-1/2HP available for Capsule Pak systems only.
- Qualifies for flat rate freight program

To take advantage of 2-day lead time, please mention "QS2" when ordering. All orders are for immediate shipment.

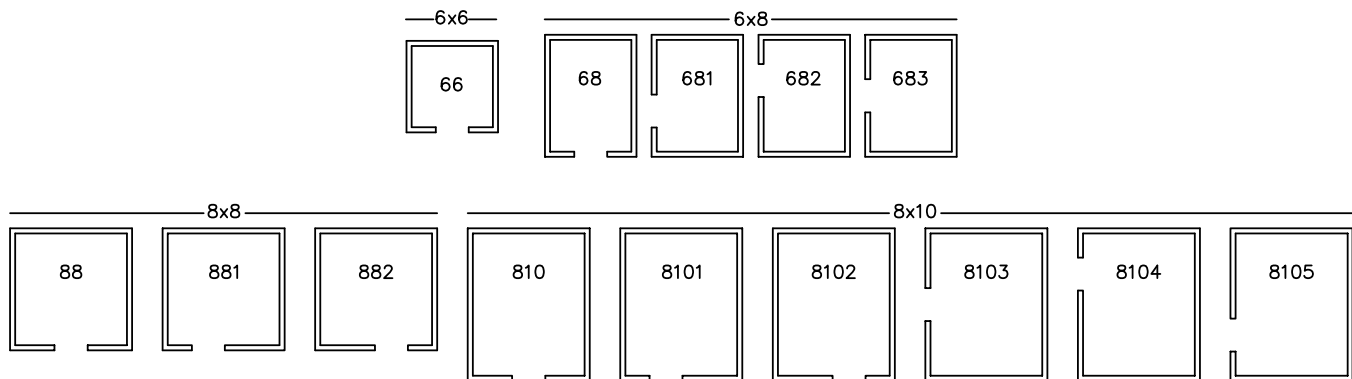

See next page for available floor plans

* Orders to be received by noon EST business day prior. Some exclusions apply. 2-day lead time does not include shipping time.

**Please note that QS2 models are offered only as noted above. Any deviation from these parameters will result in extended lead times. Other options offered on standard QS Series models do not apply.

***Upsized 30" and 36" doors are available for 10 day lead time. For this option, please mention QS10.

Floor Plan Layouts

Matching Capsule Pak™ & Capsule Pak ECO™ Refrigeration Systems

CAPSULE PAK

R-449A
ECO-FRIENDLY
REFRIGERANT

- Designed for simple and fast installation, each system consists of a condensing unit and evaporator coil contained in a single housing
- Conveniently located on top of the walk-in to maximize available storage space
- Standard LogiTemp® electronic controller for increased reliability
- Capsule Pak ECO systems built for maximum sustainability and energy efficiency with a significantly reduced Global Warming Potential of 3

CAPSULE PAK ECO

R290
ECO-FRIENDLY
NATURAL REFRIGERANT
