

## ENDLESS COMPLETE MERCHANDISERS

*A quick solution for single display case needs.*

Endless merchandisers are very customizable and you can configure them to fit nearly any retail requirement. However, some situations call for just a single cooler or freezer case. That's where the Endless Complete Package (CP) models come in.

Designed for easy, no-fuss ordering, each Endless CP model ships complete with all components needed for quick installation.

- Self-contained refrigeration system\*
- Black interior and exterior
- Mounted left and right-hand ends
- Top shroud for covering refrigeration system\*
- Bumper assembly\*

\*Condensing unit, shroud and bumper assembly shipped loose.
