

DISPLAY FREEZERS

Curved and Flat Lid

Place these mobile freezers in any high traffic area to boost ice cream and frozen treat sales

R290
ECO-FRIENDLY
REFRIGERANT

FEATURES

- Baskets, basket dividers, external thermometer and lock only offered as options on many competitor models
- Drain in freezer floor for easy cleaning
- Lid locks protect your investment when the freezer is not in use
- Unobtrusive frame around the glass lids ensures a highly visible display
- Heavy-duty casters allow freezers to be easily moved to areas of high customer traffic
- LED lighting provides increased efficiency and longevity and is the most complementary lighting for products
